The Group has adopted a forward-looking expected loss impairment model to estimate the expected credit losses ("ECLs") on its advances to customers. The assessment of credit risk and the measurement of ECLs are required to be based on unbiased and probability-weighted possible outcomes and reasonable and supportable information at the reporting date about past events, current conditions and forecasts of future economic conditions. Significant management judgement and estimation are involved in developing and using models and the selection of inputs into the calculation of ECLs, including:

- 1) segmentation of financial assets according to credit risk characteristics;
- 2) estimation of the probability of default, loss given default, exposure at default;
- 3) identification of criteria for determining significant increases in credit risk; and
- 4) selection and estimation of macroeconomic factor forecasts; and the probability weightings of forwardlooking macroeconomic scenarios.

We tested the design and operating effectiveness of the key controls over credit assessment; loan classification; stage classification; and calculation of impairment allowance processes. Our control testing on the loan impairment processes included an evaluation of the governance over the inputs and assumptions. We also tested the system interfacing of inputs or other data sources such as internal loan grading and probability of default.

We adopted a risk-based sampling approach for our loan review procedures. We selected samples based on the characteristics of individual items, considering the industry (including loans granted to Mainland property developers), the geographic location of the operations of the borrower, internal loan grading and past due history throughout the year. We formed an independent view of the loan staging by reviewing the borrowers' information focusing on their financial performance, expected cash flows, valuation of collaterals and other available information

For the expected credit loss allowance as at 31 December 2022, we performed testing of the data quality by sample checking to the data sources and recomputation of management's calculation of the impairment allowance. Also, we involved our internal specialists in assessing management's consideration of forward-looking information. including macroeconomic factor forecasts and probability-weighted economic scenarios by comparing to market forecasts from external data providers.

第二層級和第三層級金融工具的估值(續)

截至2022年12月31日,貴集團以 公允值計量的金融資產及負債分別 為港幣1,584.65億元和港幣82.32 億元,分別佔總資產的29.25%和 總負債的1.72%。採用了非市場 報價的重大可觀察參數進行估值的 金融工具,即被分類為第二層級金 融工具。採用了重大不可觀察參 數進行估值的金融工具,即被分類 為第三層級金融工具。第三層級金 融工具的估值不確定性較高。截至 2022年12月31日,貴集團以公允 值計量的第二層級及第三層級金融 資產分別為港幣1,461.24億元和 港幣119.33億元。貴集團以公允 值計量的第二層級金融負債為港幣 80.94億元。

我們以抽樣方式挑選了於公允值層 級表內第二層級金融工具的公允值 計量,以評估這些金融工具的估 值。我們將估值中使用的參數輸入 與可觀察的市場數據作對照。對於 以根據經紀人報價確定公允價值的 金融工具,我們將市場觀察到的可 執行報價與管理層所使用的輸入進 行比較。

在我們內部估值專家的幫助下,我 們專注於公允值層級表內第三層級 金融工具的估值方法和假設。對於 可觀察參數,我們與獨立估值來源 及外部市場數據進行比較。對於 可觀察參數,我們對估值中個別重 大輸入值進行了比較分析,如利用 相似交易中使用的貼現率以評估個過 重新計算估值,對貴集團於市場通 用的折現現金流模型中所採用的估 值技術、假設和估計進行評估。

考慮貴集團金融工具金額的重要 性,以及金融工具的估算過程中涉 及的管理層判斷及估計的重要性, 金融工具的估算因而被列作關鍵審 計事項。

我們也評估了與財務報表中的第二 層級和第三層級金融工具相關披露 的充分性。 financial assets and liabilities measured at fair value amounted to HK\$158,465 million and HK\$8,232 million, representing 29.25% and 1.72% of total assets and total liabilities respectively. Financial instruments which had significant observable inputs other than guoted prices in the valuation were categorised within level 2 of the fair value hierarchy. Financial instruments which had significant unobservable inputs in the valuation were categorised within level 3 of the fair value hierarchy. A higher degree of estimation uncertainty was involved in valuation of financial instruments categorised within level 3 of the fair value hierarchy. As at 31 December 2022, the Group's financial assets measured at fair value which were categorised within level 2 and level 3 amounted to HK\$146,124 million and HK\$11,933 million, respectively. The Group's financial liabilities measured at fair value which were categorised within level 2 amounted to HK8.094 million.

Because of the significance of the financial instruments recorded by the Group and the management judgements and estimates involved in the valuation, valuation of financial instruments is considered a key audit matter. On a sample basis, we selected financial instruments that were classified as level 2 in the fair value hierarchy to evaluate their valuation. We checked the parameters used in each valuation against observable market data. For financial instruments where the fair value was determined based upon broker quotes, we compared the executable quotes observed from the market against the inputs used by management.

With the assistance of our internal specialists, we focused on the valuation methodologies and assumptions used in the valuation of financial instruments that were classified as level 3 in the fair value hierarchy. For observable inputs, we compared against independent sources and externally available market data. For unobservable inputs, we performed comparative analysis for individually significant items, such as using the discount rate referenced from similar transactions to evaluate the reasonableness of the assumptions. On a sample basis, we also re-performed valuations and evaluated valuation techniques, assumptions and estimates adopted by the Group in the discounted cash flow models, which are commonly used in the market.

We also assessed the adequacy of the disclosures relating to the Level 2 and Level 3 financial instruments in the financial statements

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF THE DIRECTORS FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The directors of the Bank are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the directors of the Bank are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors of the Bank either intend to liquidate the Group or to cease operations or have no realistic alternative but to do so.

The directors of the Bank are assisted by the Audit Committee in discharging their responsibilities for overseeing the Group's financial reporting process.

- 識別和評估由於欺詐或錯誤而導致綜合財務報表存在重大錯誤陳述的風險,設計及執行審計程序以應對這些風險,以及獲取充足和適當的審計憑證,作為我們意見的基礎。由於欺詐可能涉及串謀、偽造、蓄意遺漏、虛假陳述,或凌駕於內部控制之上,因此未能發現因欺詐而導致的重大錯誤陳述的風險高於未能發現因錯誤而導致的重大錯誤陳述的風險。
- 瞭解與審計相關的內部控制,以設計適當的審 計程序,但目的並非對貴集團內部控制的有效 性發表意見。
- 評價董事所採用會計政策的恰當性及作出會計
 估計和相關披露的合理性。

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Our report is made solely to you, as a body, in accordance with section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

- 評價綜合財務報表的整體列報方式、結構和內容,包括披露,以及綜合財務報表是否中肯反映交易和事項。
- 就貴集團內實體或業務活動的財務訊息獲取充 足、適當的審計憑證,以便對綜合財務報表發 表意見。我們負責貴集團審計的方向、監督和 執行。我們為審計意見承擔全部責任。

我們還向稽核委員會提交聲明, 説明我們已符合有關 獨立性的相關專業道德要求, 並與他們溝通有可能合 理地被認為會影響我們獨立性的所有關係和其他事 項,以及在適用的情況下, 為消除威脅所採取的行動 或應用的防範措施。

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS (Cont'd)

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Audit Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Audit Committee with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

核數師就審計綜合財務報表承擔的責任 (續)

從與稽核委員會溝通的事項中,我們確定哪些事項對 本期綜合財務報表的審計最為重要,因而構成關鍵審 計事項。我們在核數師報告中描述這些事項,除非法 律法規不允許公開披露這些事項,或在極端罕見的情 況下,如果合理預期在我們報告中溝通某事項造成的 負面後果超過產生的公眾利益,我們決定不應在報告 中溝通該事項。

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS (Cont'd)

From the matters communicated with the Audit Committee, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
